

Who Are We?

The School Safety Advocacy Council (SSAC) is the recognized leader in school safety based services and training. The School Safety Advocacy Council is comprised of the foremost experts in the field of school safety and guided by our School Safety Advisory Board which consists of the most respected leaders in both the educational and law enforcement communities. SSAC is the only organization that has partners with the U.S. Department of Justice's National Institute of Justice to deliver the National School Safety Conference as well as several tuition free regional school safety conferences throughout the country.
